

Defying Time with Today's Science

Anti-Aging Products
APIs, Cosmeceuticals, and
Nutraceuticals

R&D Services

Efficacy & Safety Testing in
Human Skin Models
(Partnered with NANOTEC, NSTDA)

KronoLife: Longevity-Focused Active Ingredients, Cosmeceuticals, and Nutraceuticals Targeting Zombie Cells and Aging's Root Causes, and Cutting-edge Efficacy and Safety Testing Services in Human Skin.

KronoLife is an anti-aging deep-tech startup under Thailand's National Science and Technology Development Agency (NSTDA), developing innovations targeting aging's root causes. We offer active ingredients, cosmeceuticals, and nutraceuticals to combat zombie cells and aging hallmarks, along with R&D services like safety and efficacy testing in human skin models and product development.

KronoLife 是隸屬於泰國國家科技發展局 (NSTDA) 的抗衰老深科技公司，專注於開發針對衰老的創新產品。我們提供活性成分、醫美產品和營養補充劑，對抗僵屍細胞和衰老標誌，並提供研發服務，如人體皮膚模型的安全性和有效性測試及產品開發。
